by the Corporate Governance Center of the Taiwan Stock Exchange in the most recent year, and propose priorities and measures for those not yet improved:

The Company has prepared improvement plans for each indicator of the results of the past corporate governance evaluations and has implemented the following improvement plans:

(I) Enhance the disclosure of corporate governance matters in the annual report and official website.

(II) Strengthen the disclosure of ESG-related issues in the annual report.

The Company intends to continue to improve and propose the following:

(I) Enhance the comprehensiveness of the disclosure of corporate governance matters in English on the official website.

## Note 1: Evaluation of the independence of the CPAs:

| Evaluation Items  | Evaluation result | Status of independence |
|---|-------------------|------------------------|
| Has the CPAs recused themselves from the assignment if they have a direct or material indirect interest that would affect their impartiality and independence?  | Yes               | Yes                    |
| Do CPAs maintain formal independence in addition to substantive independence when<br>they perform audits, reviews, verification or project examination of financial<br>statements and render an opinion?  | Yes               | Yes                    |
| Do members of the audit services, other CPAs or corporate accounting firm shareholders, CPA firms, their affiliates, and alliances maintain independence from the Company?  | Yes               | Yes                    |
| Do the CPAs perform professional services with integrity and rigor?   | Yes               | Yes                    |
| Do the CPAs maintain an impartial and objective position in performing professional services and have they avoided bias, conflict of interest or interest that would affect professional judgment?  | Yes               | Yes                    |
| Do the CPAs have a disciplinary record with the CPA Disciplinary Board for the last two years? Has the CPA firm been involved in any significant litigation in the last two years or currently?   | Yes               | Yes                    |
| Does the CPA firm have sufficient scale, resources and regional coverage to handle corporate audit services?  | Yes               | Yes                    |
| Does the CPA firm have a clear quality control process? Does the coverage include the level and key points of the audit process, the manner in which audit issues and judgments are handled, independent quality control reviews, and management of risk? | Yes               | Yes                    |
| Has the CPA firm notified the Board of any significant issues and developments in risk management, corporate governance, financial accounting and related risk controls in a timely manner?   | Yes               | Yes                    |
